1. Please describe this person's greatest strengths as a Instructional Assistant.
Please keep your comments constructive and professional, abiding by the Principles of Community

- Answered questions and provided feedback
- approachable and provided logically sound explanations
- easy-going
- great
- Very helpful in answering student questions on homeworks, labs, projects, and course topics.
Very knowledgeable in the topics taught in this course
- Very kind and helpful. Always get quick response!
- Very responsive to questions, and genuinely interested in helping students succeed.

2. Please describe this person's greatest weaknesses as a Instructional Assistant.
Please keep your comments constructive and professional, abiding by the Principles of Community

- I would recommend him to use mic in class.
- None that i can think of.
- Please spend more time on instruction during TA session(The real time is really too short).
Please give an all-inclusive review for mid and final exam. If you can answer students' questions in more detail, it's better. Please speak loudly and clearly during the TA sessions.

3. Please detail other characteristics of the Instructional Assistant (if applicable).
Please keep your comments constructive and professional, abiding by the Principles of Community

- None that i can think of.

4. I would recommend this Instructional Assistant to other students.

14 (70.0%):	Strongly Agree
4 (20.0%):	Agree
0 (0.0%):	Neither Agree Nor Disagree
0 (0.0%):	Disagree
2 (10.0%):	Strongly Disagree

5. Do you have any other comments to add to your evaluation?
Please keep your comments constructive and professional, abiding by the Principles of Community

- Overall a good TA.

Please note that any responses or comments submitted by evaluators do not necessarily reflect the opinions of instructors, Electrical and Computer Engineering, Academic Affairs, or UC San Diego. Responses and comments are made available without auditing or editing, and they may not be modified or deleted, to ensure that each evaluator has an opportunity to express his or her opinion.
